Item No. 4

As per Section 177 of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014, and Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), all 'related party transactions' shall be approved by the Audit Committee and 'material related party transactions' shall be approved by the members of the Company.

In this regard, it is pertinent to note that the loan account of the Company was classified as a Non Performing Asset in or around December, 2016. A securitization process was initiated by the then secured creditors namely State Bank of India ('SBI') and Central Bank of India ('CBI') under the SARFAESI Act, 2002. Subsequently, SBI and CBI assigned their debts (approx. 76% of the total secured financial debt) to M/s UV Asset Reconstruction Company Limited ('UVARCL') and accordingly the loan account was transferred from SBI and CBI to UVARCL in the books of the Company. Thereafter, the outstanding principal along with accrued interest were being charged in the books of the Company in the name of UVARCL since FY 2017-18. Further in August 2022, UVARCL acquired the remaining 24% financial debt of the Company from its secured creditor Punjab National Bank (Formerly known as United Bank of India) under SARFAESI Act, 2002 resulting in acquisition of 100% financial debt of the Company by UVARCL. Upon the said acquisition, the entire secured loan along with accrued interest standing in the books of the Company was transferred to UVARCL.

On 21.02.2023, UVARCL initiated invocation of pledge on 2,17,99,826 equity shares of the Company held by the promoters, and the said shares were transferred from the Promoters to UVARCL. By virtue of

such acquisition and as per Section 2(76) of the Companies Act, 2013 and Regulation 2(zb) of the SEBI Listing Regulations, UVARCL became a Related Party of the Company.

It may be noted, that this is a continuous transaction which is being carried on since the past 6 years and no new contract or agreement has been entered into between the parties post UVARCL becoming a related party of the Company. Though the aforesaid transaction was already existing even before the date of UVARCL becoming a Related Party, with effect from 22.02.2023, interest accrued in the name of UVARCL shall be reported as a Related Party Transaction and accordingly as a good governance, the aforesaid was approved by the Audit Committee and the Board of Directors at their respective meetings held on 29th May, 2023.

Further, as per Regulation 23(4) of the SEBI Listing Regulations, the above transaction would also fall under the ceiling limit of a material related party transaction and accordingly as a good governance, it is proposed that the same is ratified by the members in the Annual General Meeting of the company. In view of the above, consent of the members is required for passing the resolution as set out in the item no. 4 of the notice as an Ordinary Resolution, for ratifying the material related party transaction.

None of the Directors, Key Managerial Personnel or their relatives is in any way concerned or interested in this resolution, except Mr. Ram Narain and Mr. Ritesh Aggarwal, being the directors nominated by UVARCL.

Management Discussion & Analysis

Industry Structure & Developments

India is the second largest producer of cement in the world accounting for 7% of the global installed capacity. The cement industry is mainly driven by the consequential number of construction activities with the growing demand and a surging need for residential complexes of urbanised population. Furthermore, the construction of various infrastructure projects such as airports and roads, undertaken by the government in recent times, propels the growth of the market.

India ranks as the world's second largest cement producer and consumer. The demand growth forecast for the Industry is closer to 10%. Cement production in the country is expected to steadily grow and achieve 550-600 million tonnes per annum by 2025.

For the cement industry in India, the next few years affords it an opportunity of scalability. An upturn in the economy would amount to a further increase in infrastructural spends thereby boosting cement demand. That would enhance the adage of Building More, Building Well and Building Right.

The concomitant upgradation in investment on cement will favourably impact employment, the country's resource base and therefore domestic GDP.

Opportunity & Threats

The Cement business in India accounts for about 7% of the global installed capacity, and ranks second only to China in production of cement. Hence, as infrastructure building in the country is promoted and diligently fostered so will the consumption of cement.

There is a considerable allocation for infrastructure in the budget for the year 2023. Increased capital investment outlay by 33.4% to INR 10 lakh crore, INR 75 thousand crores investment for one hundred critical transport infrastructure projects for first and last mile connectivity for various sectors, capital outlay of INR 2.4 lakh crore for Railways and 50-year interest free loan to State Governments to incentivize infrastructure investment. These are going to be a big boost to cement demand.

The India cement market is primarily driven by the significant rise in construction activities due to the rapid population expansion and a surge in the need for residential spaces. The development of mega infrastructural projects in the country, such as airports and roads, is also bolstering the growth of the market. Furthermore, with the growing environmental concerns, there has been a rise in the demand for green buildings. This has led to an increase in the sales of sustainable and green cement as it minimizes the CO₂ emissions generated during the production process. Moreover, rapid urbanization and industrialization, along with the rising purchasing power of consumers, are some of the other factors catalyzing the growth in the cement industry across the country.

On the other hand, the interest rates rising globally to tame inflation may impinge on the consumption in the near term. The cost of energy inputs are at elevated levels for some time, and this has resulted in considerable increase in cost.

The transformation from "fossil fuels" to fuels that are more "green" in content for purposes of cement manufacture is strewn with difficulties. Such conversion will certainly happen going forward but is unlikely to take place over the medium term. Availability of fossil fuels at prices that would be economical for the industry to produce cement at competitive prices will remain a key factor for the industry. The progressive depletion of reserves of limestone and other flux minerals required for cement manufacture is yet another concern. This is a clear signal for the industry to further gear up for identification of fresh reserves.

The Company has its presence in the eastern part of the country and the demand for cement in this part of the country is comparatively lower as compared to the demand in the other parts of the country due to which the Company is unable to optimize its capacity.

The Company is continuously exploring its opportunity to expand its marketing network into the entire stretch of West Bengal, Bihar & Jharkhand.

Segmentwise, Financial and Operational Performance

Since January, 2017, your Company operates in Single Segment i.e. Cement Segment. The discussion on Financial Performance with respect to Operational Performance forms a part of the Directors Report.

Future Outlook

The India cement market size reached 3,644.5 Million Tons in 2022. Looking forward, it is expected that the market size will reach 4,832.6 Million Tons by 2028, exhibiting a growth rate (CAGR) of 4.94% during 2023-2028. The future growth will be driven by increased infrastructure spending, as its share of cement demand rises from 22% today to around 31% in 2030. Demand for cement from infrastructure will grow at around 10% through to 2030. At the same time, roads will remain the biggest single source of cement demand from infrastructure as a result of the implementation of various programmes and schemes of the Government and increasing adoption of concrete roads. The residential sector will continue to be the single largest contributor to cement demand as housing's demand for cement will continue to rise at close to 6% per annum as India's population becomes increasingly urbanised and household size steadily falls. At the same time, the Government's major push on Housing for All will stimulate near-term growth, particularly in rural housing.

Along with the shift toward infrastructure, the cement industry will also witness a move toward institutional and ready-made concrete (RMC) customers who predominantly buy in dry bulk rather than bag. This promises to shift not only the bargaining power from manufacturers to customers but also bring efficiency and cost savings for cement companies.

The regional make-up of cement demand will also evolve by 2030. In a reversal of recent trends, traditional regional drivers of cement demand like South will see a recovery in the coming years. East will continue to see high growth but Central will moderate. Our Company primarily operates in the eastern region of the country and accordingly the high growth in the east will benefit the Company at large.

To meet the future demand for cement in 2030 the Indian cement industry will need to invest in 368 MMT additional capacity - an increase of 83%. This will not only require setting up new plants but also acquiring adequate land, securing raw material supplies and hiring additional talent.

Risk & Concern

I. To meet the future demand for cement in 2030 the Indian cement industry will need to invest in 368 MMT additional capacity - an increase of 83%. This will not only require setting up new plants but also acquiring adequate land, securing raw material supplies and hiring additional talent. Insufficient investment in the sector can be seen as a cause of concern.

II. Major policy changes including demonetization, RERA and GST is going to affect the pricing and demand in the sector. Further the bans on sand mining will lead to lower availability of sand and that would halt or slow construction activities, thus having a cascading impact on cement demand.

III. Increase in cost of finance (rate of borrowing) and increase in cost of raw materials, energy, delivery

cost, and continuous increase in crude prices, duties and taxes are pushing the cost of production without a corresponding increase in the price realizations due to excess supply, which will pose a threat to improving the overall scenario in cement sector. The increase in costs may be difficult to pass on to the customers as the prices would remain under pressure due to the excess capacity.

IV. The cement industry is associated with significant negative externalities, notably high CO₂ emissions. The increase in emissions is difficult to handle and the industry have to buy carbon credits or use alternative sources of energy for nation's growth and environment sustainability.

Internal control system and its Adequacy :

Your Company has in place an adequate system of internal controls, with documented procedures covering all corporate functions and its operating units. Systems of internal controls are designed to provide reasonable assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, the reliability for financial controls, and compliance with applicable laws and regulations. Adequate internal control measures are in the form of various policies and procedures issued by the Management covering all critical and important activities viz. Revenue Management, Operations, Purchase, Finance, Human Resources, Safety, etc. Adequate measures are taken from time to time to monitor energy efficiencies, safety and security as well as the hygiene standards maintained in the plant and corporate office. During the financial year, the standard terms of reference for Internal Audit which defines the framework for conduct of Internal Audits was updated incorporating latest changes to regulatory requirements and the evolving business context. Moreover, the Audit Committee of the Board reviews the findings of the Internal Auditor and closely monitors the implementation of their recommendations by reviewing the compliance reports furnished.

Development in Human Resources & Industrial Relations

The Company continues to maintain a very cordial and healthy relationship with its workforce. The number of people employed by the Company on its pay roll as on 31st March, 2023 was 92. To attract and retain good employees in the company, we are ensuring the best place to work. We at Burnpur Cement Limited are striving towards attracting, retaining, training, multiskilling employees and working towards the welfare of our resources. In the meantime, all efforts are being made to control cost so as to ensure future growth and increase in profitability. Industrial relations remained stable throughout the financial year 2022-23.

Details of Significant changes in Key Financial Ratios

(i) Debtors Turnover Ratio :

The Debtors Turnover Ratio for the year is 0.000154 times as compared to previous year of 0.000149 times. It shows a change of 3.44% during the current financial year as compared to the previous financial year (i.e. 0.000149 times). The reason for the increase in the ratio is the fall in revenue from operations in the current financial year by 3.32% in comparison to the revenue from operations in the last financial year.

(ii) Interest Coverage Ratio :

The Interest Coverage is 63.37 times in the current financial year as compared to 10.28 times during previous financial year. The reason being lower EBIT of Rs 1.12 Crores in the current financial year comparison to previous financial year of Rs 6.22 Crores. Another reason being charging of finance cost on cumulative basis and lower repayment schedule.

(iii) Inventory Turnover Ratio :

The Inventory Turnover Ratio for the year is 12.50 times. It shows the significant positive change of 70% during the current financial year as compared to the previous financial year (i.e. 7.37 times). The reason being the reduction in the COGS by 13% in comparison to the previous financial year.

(iv) Current Ratio :

The Current Ratio for the current financial year is 0.02 times as compared to previous financial year of 0.03 times. It shows negative change of 17% during the current financial year as compared to the previous financial year (i.e. 0.03 times). The reason includes the impact of finance charges on cumulative basis and the lower repayment schedule.

(v) Debt Equity Ratio :

The Debt Equity Ratio for the current financial year is -1.47 times; whereas it was -1.63 times in the previous financial year. It shows significant change of 10% during the current financial year as compared to the previous financial year. The reason being decrease in shareholder's fund (25%) because the company has incurred losses of INR 7083.43 Lakhs during the current financial year whereas, there is a significant change in debt 12.24% in comparison to previous financial year. Thus, resulting in significant change of 10% in Debt Equity Ratio.

(vi) Operating Profit Margin :

The Operating Profit Margin for the current financial year is -0.52% in comparison to -0.71% in the previous financial year. The Operating profit margin shows a positive change of 27% during the current financial year as compared to the previous financial year. In the current financial year, the revenue from operations has decreased by 3.32% while on the other hand operating loss has decreased by 28.94% in comparison to the previous financial year which has highly impacted the operating profit margin.

(vii) Net Profit Margin :

The net profit margin for the current financial year is -0.48%. It shows significant negative change of 23% during the current financial year as compared to the previous financial year (i.e., -0.39%). The main reason behind the change is charging of finance cost on cumulative amounting to INR 7139.07 lakhs which is higher by 11.49% in comparison to the previous financial year.

SECRETARIAL AUDIT REPORT

For the Financial Year Ended March 31, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To
The Members of
M/s. Burnpur Cement Limited
Village: Palashdiha
Panchgachia Road
Kanyapur
Asansol - 713341

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Burnpur Cement Limited** (hereinafter called "the Company"). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also based on the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023 ("Audit Period") generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023, to the extent applicable, according to the provisions of:

- (i) The Companies Act, 2013 ("the Act") and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (Not Applicable to the Company during the period under review);
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (Not Applicable to the Company during the period under review);
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not Applicable to the Company during the period under review);
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (Not Applicable to the Company during the period under review); and
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not Applicable to the Company during the period under review).
- (vi) Other applicable laws generally applicable to the Industry/Company.
- a) The Factories Act, 1948;
 - b) Public sector cement companies (Restructuring) and Miscellaneous Provisions Act, 1952;
 - c) Cement (Quality Control) Order, 2003;
 - d) Limestone and Dolomite Mines Labour Welfare Fund Act, 1972;
 - e) Mines and Minerals (Development and Regulation) Act, 1957;
 - f) Mineral Conservation and Development Rules, 1988;
 - g) Metalliferous Mine Regulations, 2012;
 - h) Explosives Act, 2008.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard-I and II issued by the Institute of Company Secretaries of India; and
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above

In respect of other laws specifically applicable to the Company, I have relied on the information/ records produced by the Company during the course of my audit and the reporting is limited to that extent.

I further report that

1. The loan account of the Company was classified as NPA back in December 2016. The company was taken into the securitization process by its secured creditor i.e., State Bank of India and Central Bank of India under Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 (SARFAESI Act, 2002). State Bank of India and Central Bank of India have assigned their debts (approx. 76% of the total secured financial debt) to M/s UV Asset Reconstruction Company Limited (UVARCL), an Asset Reconstruction Company (ARC) under the SARFAESI Act, 2002 through swiss challenge method. By exercising the power given under section 9(1)(a), 15 and 16 of SARFAESI Act, 2002, UVARCL had changed the management of the Company with effect from 01st October 2019. Further in August 2022, UVARCL has also acquired the remaining 24% financial debt of the Company from its secured creditor Punjab National Bank (Formerly known as United Bank of India) under SARFAESI Act, 2002 resulting in acquisition of 100% financial debt of the Company by UVARCL.
2. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors appointed by UVARCL under the SARFAESI Act, 2002. Due to enforcement of SARFAESI Act, 2002, the Company had not taken any specific approval of shareholders under Section 152 of the Companies Act, 2013 w.r.t. "Director retiring by Rotation" as the Directors were appointed by UVARCL only, under the SARFAESI Act, 2002, only a declaration to that effect is given in the minutes of Annual General Meeting.
3. Adequate notice is given to all directors to schedule the Board Meetings/committee meetings agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decisions is carried through while dissenting members' views, if any, are captured and recorded as part of the minutes.

4. The Company has submitted the Compliance Certificate to Stock Exchanges with regard to maintenance of Structured Digital Database (SDD) pursuant to Regulations 3(5) and 3(6) of SEBI (Prohibition of Insider Trading) Regulations, 2015 for the quarters ended on 30th September, 2022 and 31st December, 2022. Further we confirm that the Company was required to capture 1 (one) event during the quarter ended 31st March, 2023 and it has accordingly captured the said required event.

I further report that based on review of compliance mechanism established by the Company and on the basis of the Compliance Certificate(s) issued by the Company Secretary and taken on record by the Board of Directors at their meeting(s), I am of the opinion there are adequate systems and processes in place in the Company which is commensurate with its size and operations, to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there were no major events occurred which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

- B. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date except:

As per Ministry of Corporate Affairs Notification New Delhi, dated 5th August, 2022 (File No. 1/19/2013-CL-V-Part III), back-up of the books of account/other books & papers maintained in electronic mode, including at a place outside India, shall be kept in servers physically located in India on a daily basis. This notification was effective from 5th August, 2022 but Company didn't follow this notification. Our opinion is not modified in respect of this matter.

2. Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

4. Emphasis of Matter Paragraph

- i) Two immovable properties situated at Mauza Dharma and Palasdiha were sold by UVARC Limited under Rule 9(6) of Security Interest (Enforcement) Rules, 2002 for Rs. 5,52,00,000/- and Rs. 14,53,00,000/- respectively. The sale proceeds of Rs 5,52,00,000/- towards land of Mauza, Dharma is entirely adjusted with the liability towards amount payable to UVARC Limited (Financial Creditors). However, the land of Mouza, Palasdiha consist of few land in the name of old Promoters (Mortgage with Banks), hence, the proportionate sale proceeds (i.e, Rs 5,37,10,116.73/-), in the name of the Company, has been adjusted against the liabilities towards amount payable to UVARC Limited (financial creditors) and no impact has been taken for the balance amount of Rs 9,15,89,883.27/- towards sale proceed of the portion of land of the Guarantor as "Partial settlement of liability pending appropriation.
- ii) As per the modified sale certificate issued by UVARC LIMITED, the sale of the land covered in point (i) were intimated to the company in the month of March 2023. The company made accounting entries in its books regarding the sale of the land, which was in the name of Burnpur Cement Limited during the financial year 2022-23.
- iii) UVARC LIMITED sold the land owned by the guarantor, Mr. Ashok Gutgutia, and others. the realisation pursuant to the sale of immovable property of the guarantor, is recorded by way of a note in the financials of the BCL as "Partial settlement of liability pending appropriation", or similar expression, with a note explaining that the amount represents partial recovery by disposal of a property of the guarantor, which has not been credited to the guarantor in view of the guarantor not settling the full sum due to the creditor. No impact has been taken for the amount of Rs 9,15,89,883.27/- towards sale proceed of the portion of land of the Guarantor as "Partial settlement of liability pending appropriation" in the books of accounts.
- iv) Promoters of the company and others pledged 21799826 shares as guarantor of loan. On 21.02.2023, these pledged shares were invoked by the UVARC Limited. However, the shares have still not been sold, and even the amount of recovery is unascertainable during the year 2022-23. Hence, Company doesn't make any accounting entries for such invocation in its books of accounts.
- v) There is an outstanding borrowing of Rs. 49760.05 Lakhs in the name of UVARC LIMITED as on 31.03.2023 which includes the assignment of the debts by PNB (Formerly known as UBI) to UVARC Limited on 04.08.2022 as per provision of SARFEAESI Act, 2002. On 21.02.2023, the share pledged by the previous promoters was transferred to UVARC Limited. Consequently,

in accordance with Ind AS-24 pertaining to related party disclosure, UVARC Limited is now considered as related party, which the company also disclosed in their Notes to accounts.

However, our opinion is not qualified in this respect.

5. Material uncertainty related to going concern

We also draw attention to the fact that the Company has accumulated loss of Rs 7083.43 lakhs resulting in erosion of net worth of the Company. The net worth of the Company is negative (i.e., Rs. -35286.72 lakhs) as on 31.03.2023. The financial statements of the company have been prepared on a going concern basis for the reason stated in the financial statement. The validity of the going concern assumption would depend upon the performance of the company as per its future business plan. Our opinion is not qualified in respect of this matter.

6. Information Other than the Financial Statements and Auditor's Report Thereon

- A. The Company's Board of Directors is responsible for the other information. The other information comprises of the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon
- B. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

7. Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- B. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

8. Auditor's Responsibilities for the Audit of the Standalone Financial Statements

- A. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
- i) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls
 - iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
 - iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.

However, future events or conditions may cause the Company to cease to continue as a going concern.

- v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation
- C. Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in
 - i) planning the scope of our audit work and in evaluating the results of our work; and
 - ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.
- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II. Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
 - A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - C. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - D. In our opinion, the aforesaid standalone financial statements comply with the Ind AS

specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014

- E. On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- F. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- G. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- H. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has not disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements
 - ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts. The Company did not have any long-term derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, if any.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE-A TO THE AUDITORS' REPORT- CARO

The Annexure referred to in our report to the members of BURNPUR CEMENT LIMITED for the year ended 31st March, 2023.

On the basis of the information and explanation given to us during the course of our audit, we report that:

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

1. In respect of the Company's property, plant and equipment, right-of-use assets and intangible assets:
 - (a) The company has maintained record of fixed assets but the location/ situation of the details was not maintained.

The Company has maintained proper records showing full particulars of intangible assets.
 - (b) According to the information and explanations given to us, the Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Certain discrepancies noticed on such verification were not material and have been properly dealt with in the books of account.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year.
 - (d) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
2. (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year. For stocks lying with third parties at the year-end, written confirmations have been obtained and for goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

3. The company has not granted any loans (secured or unsecured) to companies, firm, or any other concern during the year.

The Company has not made investments in Firms and Limited Liability Partnerships during the year. Further the Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or any other parties.

4. According to the information and explanations given to us and on the basis of our examination of records of the Company, in respect of investments made and loans, guarantees and security given by the Company, the provisions of section 185 and 186 of the Companies Act, 2013 ("the Act") have been complied with.
5. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable
6. We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act in respect of its manufactured goods and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the records with a view to determine whether these are accurate or complete.
7. In respect of statutory dues :
- (a) The company is generally irregular in depositing disputed statutory dues including income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. As per the financial statement Rs 1348.70 lakhs is due to Government Authorities.
- (b) Dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax of the current year have been deposited on time. Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2023 on account of disputes are covered in Annexure-1.
8. According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

9. (a) The Company had taken loans from PNB (Formerly known as UBI) and has continuing defaulted in repayment of principal and interest thereon. The period and the amount of default is reported below :

Banks	Period of Default (upto 03.08.2022)		Outstanding Principal (in Lakhs)	O/S Interest (Rs. in Lakhs)	Total Outstanding (Rs. in Lakhs)
	In Days	In Months			
PNB (Formerly known as UBI (Upto 03.08.2022))	1981	66	5075.91	5935.91	11011.82
Total	1981	66	5075.91	5935.91	11011.82

On 04.08.2022 PNB (Formerly known as UBI) has assigned their debts to UVARC Limited an Asset Reconstruction company.

- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has taken term loan of Rs. 19.50 Crores during the year and were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. The company doesn't have a subsidiary and hence reporting on clause 3(ix)(e) of the Order is not applicable.
- (f) The company doesn't have a subsidiary and hence reporting on clause 3(ix)(f) of the Order is not applicable
10. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
11. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) Company has not received any whistle blower complaints during the year (and upto the date of this report), hence reporting under clause 3(xi)(c) of the Order is not applicable.
12. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
13. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
14. (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
15. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
16. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
18. There has been no resignation of the statutory auditors of the Company during the year.
19. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, It has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within

a period of one year from the balance sheet date . We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. (a) There are no unspent amounts towards Corporate Social Responsibility (“CSR”) on any projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act, 2013 in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any ongoing project. Accordingly, clause 3(xx)(b) of the Order is not applicable.
21. Since the company is not a subsidiary or holding company of any other company. Accordingly, reporting under clause 3(xxi) of the Order is not applicable to this company.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls with reference to Standalone Financials Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of BURNPUR CEMENT LIMITED. ("The Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINACIAL STATEMENT

1. COMPANY INFORMATION

Burnpur Cement Limited (“the company”) is a public limited company incorporated in India with its registered office in West Bengal, India. The Company is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The company is engaged in manufacturing of Cement and has manufacturing facilities located in West Bengal and Jharkhand.

2. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements and in preparing the opening IND AS Balance Sheet as at April, 2016 for the purpose of transition to IND AS, unless otherwise indicated.

a. STATEMENT OF COMPLIANCE

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April, 1 2017.

The transition from previous GAAP to IND AS has been accounted for in accordance with Ind AS 101 “First Time Adoption of Indian Accounting Standards”, with April 1, 2016 being the transition date.

In accordance with IND AS 101 “First Time Adoption of Indian Accounting Standards”, the company has presented a reconciliation from the presentation of financial statements under accounting standards notified under the companies (Accounting Standards) Rules, 2006 (“Previous GAAP”) to Ind AS of total equity as at April 1, 2016 and March 31, 2017, total comprehensive income and cash flow for the year ended March 31, 2017.

b. BASIS OF PREPARATION

The financial statement have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by IND AS.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

c. USE OF ESTIMATES AND CRITICAL ACCOUNTING JUDGEMENTS

In preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Significant judgements and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

d. PROPERTY, PLANT AND EQUIPMENT

An item of property, plant and equipment is recognized as an asset if it is probable that the future economic benefits associated the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred subsequently to add to, replace part of or service it. All other repair and maintenance costs, including regular servicing, are recognized in the statement of profit and loss as incurred. When a replacement occurs, the carrying amount of the replaced part is derecognized.

Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items. The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognized in the statement of profit and loss.

e. INTANGIBLE ASSETS

Intangible assets are recognized as assets where they are clearly linked to long term economic benefits for the company. Intangible assets are stated at cost of acquisition, net of recoverable taxes and are amortized over their estimated useful lives.

f. DEPRECIATION & AMORTIZATION OF PROPERTY, PLANT AND EQUIPMENT AND INTANGIBLE ASSETS.

Depreciation or amortization is provided so as to write off, on a straight line basis, the cost of property, plant and equipment and other intangible assets to their residual value. Depreciation on Property, Plant and equipment is provided on straight line method, according to the useful life of the asset as prescribed in schedule II of the Companies Act, 2013. Intangible Assets such as patents, trademarks, software are amortized based upon their estimated useful life of 6 years.

g. IMPAIRMENT

At each balance sheet date, the Company reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any). An impairment loss is recognised in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount. Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately. There is no impairment loss during the financial year.

h. LEASES

The Company determines whether an arrangement contains a lease by assessing whether the fulfilment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to use that asset to the Company in return for payment. Where this occurs, the arrangement is deemed to include a lease and is accounted for either as finance or operating lease.

Leases are classified as finance leases where the terms of the lease transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The Company as lessee

- (i) Operating lease – Rentals payable under operating leases are charged to the statement of profit and loss on a straight line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.
- (ii) Finance lease – There are no Finance Lease.

The Company as lessor

The company has not leased any of its assets during the financial year.

i. FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(a) Financial assets

Cash and bank balances

Cash and bank balances consist of :

- (i) Cash and cash equivalents - which includes cash in hand, deposits held at call with banks and other short term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits.
- (ii) Other bank balances

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income. The Company recognises life time expected credit losses for all trade receivables that do not constitute a financing transaction. For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition.

De-recognition of financial assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

(b) Financial liabilities and equity instruments**Classification as debt or equity**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

The company has provided for accrued interest on loans taken from bank (Now assigned to UVARC Limited) in its books of accounts during the year as the accounts have been declared NPA by the respective lenders. The company is under process of arriving at a settlement for repayment of these dues. Accordingly, interest will be provided only when the liability crystallizes.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Derivative financial instruments and hedge accounting

No such transaction has been undertaken by the company

j. BORROWING COST

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale. Other borrowing costs are amortised/charged to Profit & Loss Account.

k. EMPLOYEE BENEFITS**Defined contribution plans**

Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

Defined benefit plans

For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each balance sheet date.

Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised based on actuarial valuation at the present value of the obligation as on the reporting date.

I. INVENTORIES

Inventories are stated at the lower of cost and net realisable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realisable value is the price at which the inventories can be realised in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution. Stores and spare parts are carried at lower of cost and net realisable value.

m. PROVISIONS, CONTINGENT LIABILITIES

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on a discounted basis.

No provision has been made for contingent liability, they have been disclosed by way of notes.

n. ONEROUS CONTRACTS

A provision for onerous contracts is recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

o. GOVERNMENT GRANTS & SUBSIDY

Grants received from the government agencies against specific fixed assets are adjusted to the cost of the assets and capital grants for project capital subsidy are credited to capital reserve. Revenue grants are recognized as other income or reduced from the respective expenditure. Grants & Subsidy are accounted for once the claims are admitted by the appropriate authorities. No Government Grants or subsidy has been received by the company during the year.

p. INCOME TAXES

Tax expense for the year comprises current and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying value of its assets and liabilities.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognised as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

q. REVENUE RECOGNITION

Revenue is recognized only when it can be reliably measured and it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts.

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer. Interest income is recognized on time proportion basis taking into account , the amount outstanding and rate applicable.

r. FOREIGN CURRENCY TRANSACTIONS AND TRANSLATIONS

The company has not entered into any Foreign Currency Transaction during the year.
